

Gold and Platinum Supporter Package

The Institute of Hospitality in HealthCare Ltd (IHHC) is a not for profit association dedicated to improving the professionalism and quality of Support Services in the Health and Aged Care Industry. The National Board and State Committees are comprised of professionals from within the Industry dedicated to sharing their passion and expertise with others through conferences, seminars and a variety of networking events.

Members include Support Service Managers, Foodservice Managers, Executive Chefs, Cleaning, Laundry and Environmental Services Managers and other professionals engaged in delivering support services to the industry. In addition, several members are involved in the areas of dietetics and nutrition.

IHHC members are decision makers and collectively, they control budgets worth millions of dollars. Whether choosing food products, dry goods, chemicals, paper goods or equipment, our members will, in most cases, have the final say.

The IHHC network provides forums for our members and supporters to come together to exchange ideas, discuss the latest in industry innovation and most importantly, develop lasting professional relationships.

The State Branch Committees of the IHHC are responsible for improving the professionalism of support service staff in Health and Aged Care facilities through education, information updates, seminars and networking opportunities. In our efforts to continue delivering these services to members, industry suppliers are encouraged to support the IHHC by taking up a Gold or Platinum Supporter Package.

The Supporter Packages offer you the opportunity to promote your company through attendance at a variety of IHHC events during the calendar year.

To view the benefits of becoming a State Gold or Platinum Supporter and for information on how to apply, please refer to the information below or download a package from our website www.ihhc.org.au
